PROFILE

Hello! My name is Karson. I am an IT Major and this summer is my final term in earning my bachelor's degree at Mizzou. I'm not set on my long-term goals moving forward; graduating has been the focus of all my energy for so long that now that I'm at the end of the tunnel, I'm looking for the exact direction to head next. Finding a balance of success and personal fulfillment is important to me, and I am looking for something that fits that for me.

EMPLOYMENT HISTORY

Sales Associate, Home Depot — Jun 2022–Present (Columbia, Missouri)

- Helped customers, filled orders, and stocked shelves.
- Worked for over four years while attending school. Became a valued employee and a trusted authority within the department. Learned to stay focused under pressure, provide strong customer service, and coordinate effectively with coworkers.

IT Intern, Three Rivers College — Feb 2023–May 2023 (Poplar Bluff, Missouri)

Assisted the Technology and Computer Services departments, resolving support tickets and day-to-day technical issues. Worked on projector troubleshooting, ethernet cable installation, and network setup projects across campus.

EDUCATION

Twin Rivers High School — Aug 2017–May 2021 (Broseley)

Graduated Rank 7 in my class.

Three Rivers — Associates Degree in Information Technology (Aug 2021–May 2023, Poplar Bluff)

University of Missouri — Bachelors in Information Technology (Jan 2024–Jul 2026, Columbia)
